THE STORIES

On August 25, 2018, over 400 people came to celebrate 60 years of ministry for Calvin Crest. The stories that were shared were incredible as alumni connected with long-lost friends and made new friends over a delicious meal, at the pool, or enjoying the many activities available. The Family Fun Day was a chance to reconnect with this place that has meant so much to so many. And through it all, we were reminded of our place in God's world.

There are a few different ways that Calvin Crest becomes a part of someone's story. Some come to camp here and spend time growing in their faith, exploring nature, experiencing Christian Community and building their social skills. Some volunteer or work at camp and develop their leadership skills and their servant heart. Some attend a retreat, an event or a family reunion and connect with God and others through that experience.

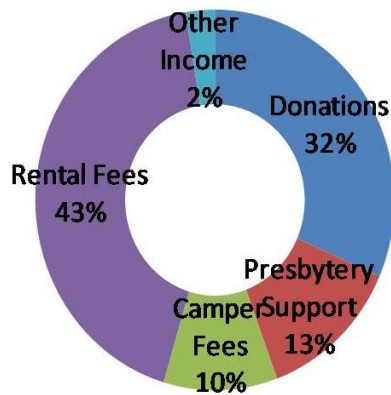

Your involvement in the life and ministry of Calvin Crest is vitally important. The way that you allow Calvin Crest to be a part of your story is significant and special. I would encourage you to do your part to make sure that others know your story and how this place can be a part of their story.

And, as always, thank you for being a part of the ongoing story of Calvin Crest.
